

Dr. Craig Nathanson

Workshop: Leading Yourself and Others

About Craig:

Dr. Craig Nathanson is an Educator, Author, Speaker and Coach for mid-life adults. Dr. Nathanson is also a motivational speaker, The Vocational Coach™ for mid-life adults, and workshop leader working with companies on the development of their organizations and people. His current research focus is on humanistic management, leadership through coaching, and mid-life professional development.

Dr. Nathanson has written and published 5 books on work and mid-life development and management, including "The Best Manager: Getting better results through people". Dr. Nathanson's newest book "Joyful work in the second half of life: The five stages", accumulates 20 years of research in the intersection of work and mid-life.

You will learn:

- How to improve your planning and organizational skills
- How to improve organizational design and job design
- How to influence motivation at work
- How to improve individual and team decision making
- How to improve your communication skills
- How to develop a great working team while learning how to resolve interpersonal conflict
- How to run effective meetings and role model time management and discipline at work
- How to assess and improve management skills
- How to create work that people want to do
- How to role model organizational ethics, values and behaviors
- Any many more!

Now available in full day, two half-day sessions or a special week-long session.

Custom sessions available.
